QL-120X Bundle Package

Welcome to a new standard in color label printing, available for a limited-time discounted price. The QL-120X, featuring the industry's best two-year warranty, is now 20% off with AstroNova's QL-120X Bundle offer.

Offering the industry's best extended two-year warranty, extended printhead life, and extended lifetime benefits, the QL-120X is known for producing high-quality labels at a lower total cost of ownership – and the cost just got even lower.

Key features of the QL-120X include:

- Enterprise and network-friendly printer configuration allow for the operation of simple management in a wide range of unique business operating environments
- Economical dye-based ink cartridge replacements deliver durable labels, at a savings of up to 35% over pigment-based ink
- Simple and intuitive control panel to manage label printing, printer, and supplies status
- Built-in automatic cutter with user-specified intervals to synchronize print jobs with production needs

Printers are ready to ship. Labels are made to order, but we have popular sizes and shapes in stock!

Do not miss this limited-time opportunity! Bring your labels to life, today. We don't discount very often. Contact AstroNova today to see if this is right for you.
