Printer	Kiaro! D	T2-C	QL-120X
Printer Description	A member of the industry-leading Kiaro!® family, the Kiaro! D prints durable labels that can withstand freezing temperatures, moisture, water submersion and abrasion – all while maintaining clarity and color fastness. Ideal solution for durable on-demand label printing.	First high volume tabletop press. Utilizing all the capabilities of a digital press, the T2-C easily fits into any size print department, producing consistent, high volumes up to 24/7 production. New straight feed and self-aligned features. Ideal for brand owners and smaller label converters.	A flexible, high-quality, efficient solution for on-demand digital color label printing, the QL-120X is equipped with the industry's best eXtended two-year warranty, eXtended printhead life and eXtended lifetime benefits delivering high-quality labels at a lower total cost of ownership.
